2020 Quality Performance Report for Indiana University Health ACO, Inc.

Indiana University Health ACO Inc. is committed to the mission of championing the new ‘accountable’ model for health care payment; a model that rewards health systems for keeping costs on par with a defined spending benchmark.

A key factor in the successful execution of this commitment to excellence is a focus on the quality of care we provide our patients. We are excited to share that we achieved a 94.63% Quality Score in 2019, and that score was carried forward into 2020. A breakdown of that score is included on page 2.
