Easy 24/7 access to see a provider

IU Health On-Demand Virtual Visits

IU Health On-Demand Virtual Visits offers convenient access to highly skilled providers from your smartphone, tablet or computer. Our providers will review your history, and ask and answer questions. A few minutes later you'll have a diagnosis and instructions for treatment.

Appointments are available 24 hours a day, seven days a week and cost just \$49 or less depending on your insurance.

Easy as 1, 2, 3

1. **Download** the free IU Health Virtual Visits app or launch on your computer at iuhealth.org/virtualvisits.
2. **Enroll** by creating a free login and completing your personal profile.
3. **Connect** with an on-demand provider and get the treatment you need quickly, easily and affordably.
