PGY2 Pediatric Residency

Riley Hospital for Children at Indiana University Health

- Free standing academic children’s hospital and part of IU Health academic health center in Indianapolis, Indiana
- Primary pediatric referral center for Indiana, Level 1 trauma center, Level 4 Simon Family Tower NICU
- Over 350 inpatient pediatric beds including: PICU-48; Heart Center ICU-20, Step-down-24; NICU-105; Burn unit-12; Hematology/Oncology-24; Stem Cell Transplant-12; General Pediatric and additional specialty beds-120
- Indiana’s only pediatric center for: Burn, Stem cell transplant, Solid organ transplant, Cystic fibrosis & Developmental pediatric services
- New maternal-fetal health tower opened in 2021 – 77 maternity beds, including OBICU

Application Requirements

The qualified applicant must possess a Doctor of Pharmacy Degree from an accredited college of pharmacy and must be eligible for Indiana licensure. Completion of a prior ASHP accredited PGY1 residency is required. All offers are contingent upon a background check, reference check, and preplacement health assessment, which includes a drug test. If selected for an on-site or virtual interview, a presentation will be required.
