

Congregational Care Network

Rev. Dr. Lynel Beaty

Congregational Care Network Director

Lynel provides leadership and support across all aspects of the CCN team, helping guide its vision, growth, and community impact.

Favorite saying: You are doing better than you think.

Dustin Hite

Staff Chaplain, Indy Metro Region

Dustin connects patients and care teams with compassionate support and helpful community resources.

Fun fact: He is a devoted Cincinnati Reds fan.

Cynthia Spencer, LCSW

Social Worker, Lake County

Cynthia helps individuals and families navigate resources and find caring support close to home.

What she loves about her role: Helping people feel supported, connected, and cared for during challenging times.

Congregational Care Network

Catherine Robinson, LCSW

Social Worker, Metro and South Regions

Catherine connects patients with support, coordinates companion placements, and strengthens community care.

Fun fact: She took piano lessons as an adult.

Lisa York, LCSW

Social Worker, North Region

Lisa supports outreach, referrals, and connection to care across communities in northern Indiana.

Favorite scripture: “Let all that you do be done in love.” 1 Corinthians 16:14

Remell Bryant

Project Manager, Lake County

Remell builds partnerships and supports projects that strengthen wellness and community connection.

What she values most about her role: Creating meaningful connections that help communities feel supported and empowered.

Congregational Care Network

Kimberly Bell

Project Manager, CCN

Kimberly helps lead projects that strengthen connections between care teams and community partners.

What she loves about her role: Bringing people, ideas, and resources together to create meaningful support for patients and communities.

Gregory Morse

Staff Chaplain, Metro Region

Gregory provides compassionate spiritual support, prayer coordination, and family outreach, with a special focus on serving patients and families affected by sickle cell disease.

What he values most about his role: The opportunity to serve others with compassion and provide spiritual care to patients and families during some of life's most vulnerable moments.

Nicholas Perkins

Outpatient Chaplain, South Region

Nicholas provides compassionate emotional and spiritual support to patients, creating space for them to feel heard, understood, and valued.

What he loves about his role: Walking alongside patients and offering a calm, caring presence during meaningful moments in their lives.

Congregational Care Network

Jeremy Lobdell

Congregational Care Network Chaplain, North-East Region

Jeremy supports patients, staff, and families by listening to their stories and providing encouragement, affirmation, and spiritual care.

Favorite scripture: “Be joyful in hope, patient in affliction, faithful in prayer.” Romans 12:12

Joseph Chen

Congregational Care Network Chaplain, Fort Wayne Region

Joseph supports patient enrollment, spiritual assessment, connector matching, and community outreach while helping coordinate local CCN operations and partnerships.

Fun fact: He has lived in China, the Philippines, Germany, and the United States, and says a warm smile translates in any language.

Aaron Covert

Congregational Care Network Chaplain, North Region

Aaron supports patients, engages with local congregations, and provides emotional and spiritual care for patients, staff, and families while helping connect them with meaningful resources and support.

What he loves about his role: Being able to offer spiritual support while also connecting people with tangible resources and caring community support.

Congregational Care Network

Notoshia Howard

Congregational Care Network Team Leader

Notoshia supports CCN team members and congregational partners, helping strengthen collaboration, care, and community connection across the program.

Favorite scripture: “Let your light shine before others.” Matthew 5:16

Rob Brown

Congregational Care Outpatient Chaplain, Metro Area

Rob provides compassionate spiritual and emotional support to patients experiencing loneliness and social isolation, while also creating a safe space for outpatient team members to process their feelings and experiences.

Fun fact: He is a cyclist and loves riding his bike fast.
