Recommended Resupply Schedule

Replacing your PAP supplies regularly is an important part of maximizing your therapy. Not only will your equipment fit more comfortably, but you’ll sleep better.

Below is the recommended supply replacement calendar:

- **Every 2 Weeks**
  - Disposable Filters
  - Nasal Mask
  - Pillow

- **Every Month**
  - Full-Face Mask

- **Every 3 Months**
  - Frame System
  - Tubing

- **Every 6 Months**
  - Headgear
  - Humidifier Water Chamber

By performing the recommended routine supply replacement and routine care, most patients report a much more comfortable and better night’s sleep.
