STAT Courier and Time Sensitive Test Menu for IU Health Locations

Below is the list of tests that an IU Health provider can order a STAT Courier. To order a STAT courier, make sure to follow the correct STAT test procedure, which includes placing the specimen in a red STAT bag.

These lists were created and approved by the clinical laboratory leadership.

If there are any questions, please contact Client Services at 317.491.6000 or your account executive.

For tests marked as "Time Sensitive," please call Client Services (317.491.6000) for pick-up details. Depending on the time the order is placed (relative to your scheduled courier pickup time), a STAT courier may or may not be dispatched for pick-up.
