**Overview:** *Electronic interfaced ordering in Cerner will replace manual ordering and resulting.*

**On April 16<sup>th</sup>, 2020 the IU Health Pathology Laboratory will add testing to the list of available orderable tests.**

These tests were previously only available by ordering a Miscellaneous Test request. The list contains testing shipped to **Atlantic Diagnostics in Bensalem, PA**. The anticipated outcomes will be primarily a patient safety outcome with electronic ordering and resulting decreasing the chances of incorrect or improper orders and inaccurate results. Other anticipated outcomes will be improved turnaround time for results and a smoother ordering/report entry process resulting in less ordering confusion.

Updates will be made to the IUH Test Directory as the conversions take place.

**Please view test requirements on the Laboratory Test Directory. Ordering will remain the same and providers should not notice a difference in the ordering process.**

**Additional Tests available include:**

- Ganciclovir Level QN/LCMS
- Imipenem Level QN/LCMS
- Linezolid Level QN/LCMS
- Meropenem Level QN/LCMS
- Piperacillin Level QN/LCMS
- Posaconazole Level QN/LCMS
- Peramivir Level QN/LCMS
- Tazobactam Level QN/LCMS
- Voriconazole Level QN/LCMS

Ordering in Powerchart will be the same process for the tests listed above. Some testing may have new collection tubes. Please access each test on the IUH Test Directory. Please call the IUHPL Sendout Department at 317-491-6805 with questions.
