### STAT Courier and Time Sensitive Test Menu for Outreach Clients

Below is the list of tests that can be ordered STAT Courier by an IU Health Laboratory Services outreach client. To order a STAT Courier test, make sure to follow the correct STAT test procedure, which includes placing the specimen in a STAT bag.

If there are any questions, please contact Client Services at 317.491.6000 or your account executive.

\*For tests marked as “Time Sensitive,” please call Client Services (317.491.6000) for pick-up details. Depending on the time the order is placed (in relation to your scheduled courier pickup time), a STAT Courier may or may not be dispatched.
