CompleteLife Program

The IU Health Simon Cancer Center's CompleteLife Program offers complementary support and care for patients and their families during and after treatment. The program attends to the physical, emotional, social and spiritual needs of the whole person when the patient needs it most. Our goal is to provide comprehensive and compassionate care alongside medical treatments to improve the well-being of individuals with cancer, their families and the community.

Programs include:

- Support groups
- Spiritual care
- Art therapy
- Creative Expression with Creating Hope®
- Creative writing—workshops and annual journal
- Music therapy
- Therapeutic harp
- Psychiatric/psychological consultations
- Social work services
- Nutrition counseling
- Massage therapy with Little Red Door
- Appearance consultation
- Yoga

For more information regarding these services, please contact CompleteLife Coordinator Natasha Young at 317.944.0301 or nyoung2@iuhealth.org.
