Cosmetic and Reconstructive Surgery

Ball Memorial Physicians
At our spa, we offer a variety of combined treatments tailored to each of our clients’ specific needs. Learn more about our skin care services to help you achieve the best skin care results designed for you. Decide which skin condition(s) concern you and contact our office to set up a free consultation and to view before and after photos to demonstrate the effective results.

**Acne**

Acne and prior acne scarring can lead to a less confident you. We can help restore your skin and confidence with one of our laser treatment plans designed for your specific need. Our treatments vary based on what is best for you. We also have a large selection of ZO Skin Health products and facial treatments to compliment or solely treat your unique skin care needs.

**Genesis Rejuvenation**

Laser light penetrates deeply into the skin where collagen is manufactured, stimulating an increase of new collagen production. Unlike harsher treatment methods, this is done without destroying the upper layers of skin (non-ablative). The Laser Genesis procedure safely, discretely and effectively treats scars, uneven textures, fine lines, wrinkles and large pores.

**Benefits of Laser Genesis:**

- Zero downtime
- Skin with smoother texture and a healthier appearance
- Evens out acne scarring and fine lines and wrinkles
- Restoration of collagen and healthier looking skin

$350 per treatment or series of 6 treatments $1650
Pearl

Our Pearl laser is a more definitive approach to treating aging skin, wrinkles, and uneven texture. This procedure is a resurfacing treatment with 3-5 days of downtime than the other laser treatments. During the Pearl procedure, the top layer of skin is treated with pulses of light in a pre-selected pattern. The laser simultaneously sends heat to the deeper layers of skin to provide greater tightening and longer-term benefits.

Benefits of Pearl laser resurfacing:
- Skin with smoother texture and a healthier appearance
- Evens out acne scarring and fine lines and wrinkles
- Restoration of collagen and healthier looking skin

Full face $1200 or series of 2 treatments $2000
Hands-$550

Redness and Vein Treatments

Do you have redness of your face, neck or chest? How about annoying small veins that alter the appearance of your complexion or legs? Larger blue reticular (feeder) veins troubling you? Try our non-invasive laser treatments to be rid of these. We also have a selection of ZO Skin Health product facial treatments designed to improve fine redness in these troubled areas.

Genesis Rejuvenation

Laser light penetrates deeply into the skin where collagen is manufactured, stimulating an increase of new collagen production. Unlike harsher treatment methods, this is done without destroying the upper layers of skin (non-ablative). The Laser Genesis procedure safely, discretely and effectively treats scars, uneven textures, fine lines, wrinkles and large pores.
Benefits of Laser Genesis:
- Zero downtime
- Skin with smoother texture and a healthier appearance and lessens redness
- Evens out acne scarring and fine lines and wrinkles
- Restoration of collagen and healthier looking skin

$350 per treatment or series of 6 treatments $1650

**Limelight/IPL (intense pulsed light)**
These laser treatments are non-invasive light based treatments to help remove brown spots, solar lentigines, and melasma. Limelight IPL uses an adjustable wavelength and specifically targets the superficial pigment in the epidermis. This laser also can help treat small veins as well.

Benefits of Limelight/IPL:
- Zero down time
- Eliminates brown spots, solar lentigines, melasma and small veins.
- Improves skin tone
- Restores a youthful glow to your face

**Full Face Chest/Neck - $375 or series of 4 treatments $1350**
**Small area- $150 or series of 4 treatments $500**
**Large area- $375 or series of 4 treatments $1350**

Vein treatment based on time per session
- 0-15 minutes $250
- 15-30 minutes $450
- 30-45 minutes $600
Skin laxity and sagging

When we age, it is inevitable that we lose the elasticity of our skin. Our youthful tight and plump appearing skin now has a droopy appearance that can be very unpleasing. The Titan laser can address this issue in just a few treatments for long lasting results. We also have a large selection of ZO Skin Health products and facial treatments designed to compliment or solely treat your unique skin care needs of aging.

Titan laser

The Titan laser is a non-invasive laser that utilizes infrared light to heat the deep skin surface to help stimulate new collagen growth. It is the ideal solution to enhance a healthy appearance to the skin without surgery. The Titan treatment can also effectively work on other areas the body such as the abdomen, upper arms, legs, jawline, and chin.

Benefits of the Titan laser:

- Zero downtime
- Fuller, more youthful appearance
- Tighter and less droopy skin

Texture and Scarring
It is possible to reverse the signs of aging or improve the look to your troubled skin from those teenage years. Allow us to introduce another compliment of laser treatments to help with this issue. We also have ZO Skin Health products and facial treatments designed for you to compliment or solely treat your unique skin care needs.

**Genesis Rejuvenation**
Laser light penetrates deeply into the skin where collagen is manufactured, stimulating an increase of new collagen production. Unlike harsher treatment methods, this is done without destroying the upper layers of skin (non-ablative). The Laser Genesis procedure safely, discretely and effectively treats scars, uneven textures, fine lines, wrinkles and large pores.

Benefits of Genesis rejuvenation:
- Zero downtime
- Skin with smoother texture and a healthier appearance
- Evens out acne scarring and fine lines and wrinkles
- Restoration of collagen and healthier looking skin

$350 per treatment or series of 6 treatments $1650

**Pearl**
Our Pearl laser is a more invasive and aggressive approach to treating aging skin, wrinkles, and uneven texture. This procedure is a resurfacing peel treatment with 3-5 days of downtime than the other laser treatments. During the Pearl procedure, the top layer of skin is treated with pulses of light in a pre-selected pattern. The laser simultaneously sends heat to the deeper layers of skin to provide longer-term benefits.
Benefits of Pearl laser resurfacing:

- Skin with smoother texture and a healthier appearance
- Evens out acne scarring and fine lines and wrinkles
- Restoration of collagen and healthier looking skin

*Full face $1000 or series of 2 treatments $1750*
*Hands-$450*

**3D Rejuvenation**

Do you have multiple concerns and just cannot decide which treatment is best? 3D rejuvenation is for you! This is a three-tiered approach that utilizes the benefits of Limelight/IPL, Genesis and Titan treatments to rejuvenate your skin.

Benefits of 3D rejuvenation:

- Zero downtime
- Tighter more youthful skin
- Elimination/reduction of fine lines, wrinkles, brown spots and veins

*Series of treatments that include 4 Limelight/IPL treatments, 6 Genesis treatments, 2 Titan treatments $3995*
Laser Hair Reduction

Gone are the days of painful electrolysis! Our laser is the newest technology in hair reduction. This treatment allows the laser to penetrate the hair that is in the active growth phase at the time of treatment. Most areas will require at least 6 treatments, the actual number of treatments you may require for optimal long-term benefits depends on factors including the thickness of the hair, the area treated, and the growth cycle of the hair follicle.

**Abdomen $200 or series of 6 treatments $1000**
**Arms & Hands $250 or series of 6 treatments $1450**

Peels

Chemical peels can provide skin health in a deeper fashion than a simple facial. It is a resurfacing procedure in which a solution is applied to the skin that removes the top layer. The skin that grows back after a peel is more refreshed and can give a more youthful appearance.

**Ossential® Stimulator Peel**
This chemical peel is perfect for you if time is an issue. It can be performed as a lunch time peel! It has zero downtime and provides a combination of alpha and beta hydroxyl acids for exfoliation and cellular turnover. The final result minimizes fine lines and wrinkles, unclogs pores to prevent breakouts and suitable for all skin types.

*60 minutes $75*

**Ossential® Ultra Hydration Peel**
If dry, dehydrated skin is a problem for you, this peel with help restore ultimate hydration, restoration and healthy skin. In addition to gentle exfoliation to help with cellular turnover, restoring aloe and hyaluronic acids leave skin glowing and nourished.

*60 minutes $75*

**Ossential® Skin Brightening Peel**
Pigment-related issues, dark patches and uneven skin tones can be brightened with this wonderful peel. A soothing, relaxing peel that reveals the inner light within.

*60 minutes $75*

**Offects® Acne and Oil Control Peel**
This peel helps clear skin and prevent breakouts with its designed extracts that also calm and soothe irritated skin. Be on your way to clearer skin!

*60 minutes $75*
ZO® Signature 3-Step Peel
This is the only skin peel designed to provide longer-lasting treating benefits. Utilizing a blend of exfoliants, a 6% Retinol concentration and other agents that stimulate collagen and restore moisture balance, this peel evens skin texture for a softer, smoother, tighter looking appearance. This peel begins in the spa setting and continues with a remainder of at-home treatments by you!

60 minutes $125

Injectables, Fillers, Latisse

During your consultation we can also recommend any facial fillers or neuro-toxins to help you achieve the look you desire. Facial fillers can also help stimulate collagen production over time and help temporarily “fill” superficial or deeper wrinkles within the skin. Neuro-toxins like BOTOX® and Xeomin® are injected into the facial/neck muscles to temporarily improve the look of crow’s feet, frown lines and severe neck banding.

BOTOX®/ Xeomin® $11/unit with recommended 20 units to achieve a natural, balanced appearance.

Juvéderm and Radiesse fillers $550/syringe
Belotero filler $450/syringe
Latisse is an FDA-approved treatment to grow and thicken eyelashes. $120 provides treatment for approximately 1-2 months.
