

The standard charge listings below are published in accordance with the machine-readable file requirement under the CMS price transparency rules at 45 C.F.R. § 180.50. Pursuant to the federal regulations, the files include five categories of standard charges: 1) gross charges, 2) negotiated charges for third-party payers, 3) de-identified maximum negotiated charge, 4) de-identified minimum negotiated charge, and 5) discounted cash price.

The file content structure is as follows:

- Primary Billing Code (CPT, DRG)
- Service Description
- Payer or Type of Standard Charge
- Standard Charge Amount (either dollar amount or percent of charge rate)
